## CAFOD

Did you know that CAFOD, the Catholic Agency for Overseas Development, helps some of the poorest and most marginalised people across the world? We can reach so many people because we are a member of Caritas Internationalis, the Catholic Church network with a presence in 165 countries. Our local experts work with people over the long-term, helping them to have the right skills, tools and opportunities to live with dignity and support their families. For example, in South Sudan we are helping families learn how to farm better as the climate gets hotter, so that they can cope better in the future when things get even more difficult. Thank you for your support.

Celeste and Sarah, CAFOD Community Participation Coordinators in Southwark.

## APPRENTICESHIP
